DISTINCTIVE HOMES

Your Vision Is Our Mission

Nicholson Distinctive Homes is your source for custom homes in and around Iredell County. For 20 years, our clients' dreams, ideas and goals for their homes have truly been our mission. Now, whether you're prepared to build on your lot or you're looking for a location, we can help you find the right site, layout and design for your dream home.

As a custom home builder in Statesville, we take our mission seriously. You can see from our expansive custom home photo gallery, we've built many beautiful homes for our clients, and we look forward to building yours next.

Our home owners love to refer their friends, and as a result we do a fair amount of home additions and remodeling in Statesville and surrounding areas for those not ready to move. By popular request, we've recently started offering pole barns. In Statesville and its surrounding areas, Nicholson Distinctive Homes is synonymous with quality custom home construction. AVAILABLE HOMES

Personal attention and professionalism are the hallmarks of Nicholson Distinctive Homes. Since 1989, Kent W. Nicholson has set the highest standard of quality and integrity for custom-built homes. With an eye for detail and a true enjoyment of his craft, Kent and our building teams help our clients build their dream homes while ensuring that they get the most value for their money.

We realize that for most people, building a home can be very challenging, with many decisions to make and details to address. At Nicholson Distinctive Homes, our goal is to reflect each customer's unique taste and lifestyle by offering a personal approach to homebuilding. Kent Nicholson has built homes of all sizes throughout Iredell County. He is personally involved with each phase of construction, from design through on-site supervision and project completion. With each client, Kent's ultimate goal is always the same – crafting bricks, mortar, wood and steel to create a new house that truly feels like home.
